MEDING TECHNOLOGY

ZHUHAI MEDING TECHNOLOGY CO., LTD.

Zuhai Meding Technology Co., Ltd. was established in 2013 and is a factory specializing in the research and development, production, and sales of outdoor products for over 10 years.

We have a mature customer service team serving cross-border e-commerce, offline supermarket customers, and domestic e-commerce customers. We are committed to being a company that is valuable to society, and we hope that our products can create more warmth and beauty for the world.

- **Our** mission is to make life warmer through technology.
- **Our** original scenery is to allow everyone to enjoy the fun and safety of outdoor activities.
- **Our** business philosophy is customer first, quality first, continuous innovation, and win-win cooperation.

Why Choose Us?

1. **Warranty:** 12 months. The product will be returned or exchanged if there are quality issues. Lifetime free service and lifelong free technical support will be provided.
2. **Quality guarantee:** There is a mature quality control team that strictly controls quality, and the defect rate is controlled within three thousandths.
3. **Customized development:** A research and development team composed of more than 10 engineers can support ODM customization development service.
4. **Good reputation:** With over a thousand cooperative customers and a mature customer service system, we are more trustworthy!
5. **Over 20 patents:** both domestic and international patents are registered to better protect your business.
6. **Completed certification:** With over 10 years of experience in exporting to Europe, America, and Japan, we have all the necessary certificates, including CE FCC ROHS PSE UL MSDS UN38.3.
7. **CSR social responsibility system:** We passed CSR factory inspection with our European supermarket partner and we would become a company with a sense of social responsibility.
